

# Updating Florida's Floodplain Maps

## *Who Is Leading the Charge?*

- Water Management Districts
- Florida's Department of Community Affairs
- Federal Emergency Management Agency
- County and city governments

## *A Florida Progress Report*

- Mapping already begun for several of the 16 counties within SFWMD:  
*Broward, Collier, Lee, Miami-Dade, Martin, Orange, Palm Beach, and Polk*
- To be completed by 2011:  
*Charlotte, Glades, Hendry, Highlands, Okeechobee, Osceola and St. Lucie*
